Health Guarantee: The Seller guarantees that this puppy is sound in health and temperament at the time of sale. The Seller will provide a health record of all shots, worming, and a veterinarian exam. The Buyer agrees to take this puppy to a licensed veterinarian of their choice within 72 business hours. Failure to have the puppy examined by a vet within three days of the puppy's delivery/pickup date or if the Buyer fails to provide required immunizations and medical treatment will void this health guarantee. Dehydration, Diarrhea, Hypoglycemia, Coccidia, Kennel Cough, Internal and External Parasites, Giardia, Fungal Infections, or any condition that can be corrected by veterinarian treatment, and any other preventable conditions are not covered.

We provide a one (1) year health guarantee for life-threatening health issues (valid until the puppy's FIRST birthday). Illnesses must be documented in writing by a licensed vet within 72 business hours. The Seller must be informed of the examination indicating that, at the time of sale, such animal was unfit for purchase due to a life-threatening illness, disease, or congenital defect, with proper documentation by a licensed vet. If the puppy was in fact unfit for purchase, Buyer may return the puppy for an exchange of equal value, and the failure to do so within 72 hours will result in the cancellation of a replacement puppy. The seller will offer a replacement puppy of comparable value, and no money will be refunded. This is subject to availability, the breeder's first choice for breeding program, then the buyer's second. Conditions not considered life-threatening and therefore not covered include, but are not limited to, luxating patella, hernias of any kind, collapsed trachea, etc. If the condition can be treated, it is NOT considered life-threatening. In the event of a life-threatening condition, the affected puppy must be

returned to the Buyer, along with all veterinary documentation, at the Buyer's expense. The Buyer understands that a replacement puppy will only be given if it's discovered to be a hereditary problem and not due to accident or illness. The Seller guarantees the puppy against fatal viruses for 72 hours. These include Distemper, Parvo, and Corona. It does not include Coccidia and Kennel Cough, which is self-limiting and must run its course with antibiotic treatment and is not life-threatening.

If the puppy should die from a suspected congenital defect within 12 months of its birth date, an autopsy must be performed at the purchaser's expense by a veterinarian. If the autopsy shows a congenital defect as the reason for death, the seller will provide another puppy of equal value to the purchaser. A written statement from the licensed veterinarian must be provided with the Seller's name. The guarantee is void if the diagnosis is indeterminable or inconclusive.

If no puppies are available at that time, the buyer will be placed on a waiting list for the first suitable replacement puppy of comparable value when one becomes available. The Buyer understands that any and all guarantees expire one year from the date of birth. If an autopsy is not performed, this guarantee is no longer valid, and the puppy will not be replaced. The buyer is responsible for the transportation cost of the replacement puppy.

This contract will only be valid while the seller is breeding Australian Shepherds. Should the Seller discontinue breeding dogs, this contract shall be void. This contract is between the Seller and Buyer(s), signed below. If this puppy/dog is sold to a third party, this contract shall be void.
